

10 REASONS TO CHOOSE TUFTS HEALTH PLAN

1. **A National Leader in Quality.**

At Tufts Health Plan, no one does more to keep you healthy—that's why we're always looking for new ways to better meet your business needs.

2. **Plan design flexibility.**

With a wide range of plan designs and options, Tufts Health Plan can help you find the right plan that fits both your budget and the needs of your employees.

3. **Simple Administration.**

Tufts Health e-Access has the Web-based tools that help you administer your plan efficiently and reduce paperwork.

4. **Extensive provider network.**

Your employees can choose from our network of approximately 22,000 providers, including Fallon Clinic and Harvard Vanguard Medical Associates, and 85 hospitals.

5. State-of-the-art health management programs. Our health management programs include support for members at all stages of health—from those who are relatively healthy to those with serious illnesses—all designed to enhance health and improve quality of life.

6. **Easy Access to information.**

At tuftshealthplan.com, members can find a physician, and look up their claims, benefits, and prescription history, 24 hours a day.

7. Member Discounts. We give members a wide range of discounts on "healthy" products, treatments, and services—including massage therapy, Weight Watchers®, and even health and wellness products.

8. **Worldwide coverage for urgent care and emergencies.**

24 hours a day, 7 days a week.

9. Decision-support tools, to help your employees become more educated about their own health care. These tools include HealthShare Technology's hospital comparison tool, and Healthwise® Knowledgebase, an online health encyclopedia complete with a symptom checker.

10. Superior customer service. We give your employees the support they need from a health plan, and our service is delivered by a team of highly trained and committed Member Services coordinators.

U.S. News and World Report and the National Committee for Quality Assurance (NCQA) State of Health Care Report recently named Tufts Health Plan the number two health plan in the nation.
