AHMO = Advantage HMO

1. Please find the HMO or AHMO plan design the group would like to offer along the top of the chart.
2. Next, find the HMO or AHMO plan design that the group would like to offer alongside the first plan on the lefthand side of the chart.
3. Find the box that connects the two plan designs. If the box states "YES," then that Joint Option combination is available.
4. Advantage HMO (100/80) is not available alongside another Advantage HMO (100/80).
5. Advantage HMO Saver is not available alongside another Advantage HMO Saver.
6. When offering an HRA joint option, funding for both plans must be the same percentage.
