APPO = Advantage PPO

1. Please find the PPO or APPO plan design the group would like to offer along the top of the chart.
2. Next, find the PPO or APPO plan design that the group would like to offer alongside the first plan on the lefthand side of the chart.
3. Find the box that connects the two plan designs. If the box reads "YES," then that Joint Option combination is available.
4. Advantage PPO (100/80) is not available alongside another Advantage PPO (100/80).

5. Advantage PPO Saver is not available alongside another Advantage PPO Saver.
 6. When offering an HRA joint option, funding for both plans must be the same percentage.
- * The PHCS network is not available with these plans.
