Finding a health care provider

This directory includes the following information about our providers:

- Name
- Address
- Phone number
- Whether they are accepting new patients
- Office locations
- Handicap accessibility
- Specialties

Use the Find a Doctor, Hospital or Pharmacy tool at tuftshealthplan.com/together to search for providers online. We work hard to make sure the information in our tool is accurate. But information changes, so you should always call a provider's office to check the address, office hours and other information you need.

To get help finding a provider, please call our member services team at **888.257.1985**, Monday through Friday, from 8 a.m. to 5 p.m.

Selecting your primary care provider (PCP)

Every member needs to have a PCP. A PCP is the doctor, nurse practitioner or physician assistant who manages your care. If you do not pick a PCP when you join, we will pick one for you. If you would like to change your PCP, you can choose one in the *Tufts Health Together* network using our Find a Doctor, Hospital or Pharmacy tool at tuftshealthplan.com/together. For each PCP, we tell you whether she or he is accepting new patients. Call us at **888.257.1985** for help choosing or changing your PCP.

When a PCP's entry says "not accepting new patients"

Some PCP practices may be "full," which means they are not accepting new patients. If you are a new *Tufts Health Together* member and already a patient of the PCP, you should be able to keep your PCP, as long as he or she is in the *Tufts Health Together* network. Call us at **888.257.1985** for information about whether a PCP is accepting new patients, or visit tuftshealthplan.com/together for the most up-to-date information about PCPs.

Choosing behavioral health services providers

We cover your first 12 behavioral health outpatient therapy visits per benefit year with an in-network counselor or psychotherapist. You will not need prior authorization. If you need to see an in-network counselor or psychotherapist for more than 12 visits, your counselor or psychotherapist can ask us for prior authorization.

If you need to see a behavioral health specialist, such as a psychopharmacologist (a psychiatrist who specializes in using medications to treat psychiatric disorders), ask your PCP or your counselor/psychotherapist to suggest a specialist for you. If you want to talk to our member services team about finding a behavioral health provider, call us Monday through Friday, from 8 a.m. to 5 p.m., or visit tuftshealthplan.com/together.

Finding a specialist
Talk to your PCP before seeing a specialist. Your PCP or other provider can help you find the right specialist, get an appointment and coordinate your care. You can visit most of our providers without prior authorization, but you need prior authorization before seeing an out-of-network provider and/or specialist, and before getting some services from a nonpreferred in-network provider. A non-preferred in-network provider is a provider you can't see unless we give Prior Authorization. If you see a Non-preferred In-network Provider without Prior Authorization, we may not cover the cost. You never need prior authorization before getting family-planning services from any statewide MassHealth-contracted provider.

Please read your *Member Handbook* for more information about specialists and prior authorization. You can also ask your PCP, call our member services team at **888.257.1985** or visit tuftshealthplan.com/together to get more information about specialists.

Referrals
Before you make an appointment to see a provider for the first time, talk to your PCP about staying in-network. Staying in-network means that you receive care within the *Tufts Health Together* network of providers. If you are a provider helping a member get care, please ensure you refer the member within the *Tufts Health Together* network.

Prior authorization
Prior authorization means that your provider needs to get permission for you to get certain covered services. Your provider will not have to ask for permission before you see most of our in-network providers, and some covered services never require prior authorization. For example, you never need prior authorization before you get emergency care, post-stabilization care services, the first 12 outpatient behavioral health (mental health) counseling visits with preferred in-network providers, or a physical therapy evaluation and the next 11 physical therapy visits with preferred in-network providers. You also never need prior authorization before getting family-planning services from any statewide MassHealth-contracted provider.

In an emergency
In a medical or behavioral health emergency, do not wait. Call 911 or your local emergency number, or go to the nearest emergency room right away. Bring your *Tufts Health Together* member ID card *and* your MassHealth ID card with you. For behavioral health emergencies, you may also call your local ESP provider.

You never need prior authorization (permission) to visit any emergency room or to get post-stabilization care. Let your PCP and, if applicable, your behavioral health provider know what happened within 48 hours in order to get follow-up care, if necessary.

For all other care that requires hospitalization, your PCP will arrange for you to go to a hospital in our network.

In an urgent care situation
An urgent care situation is when you experience a health problem that needs attention right away, but you do not believe you are having an emergency. You may experience a health problem that is serious but does not put your life in danger or risk permanent damage to your health. Your PCP or your behavioral health provider can usually address medical or behavioral health problems.

If appropriate, make an appointment to visit your provider. Your provider must see you within 48 hours for urgent care appointments. If your condition gets worse before your PCP or behavioral health provider sees you, call 911 or go to the nearest emergency room. If you have a behavioral health concern, you may also call your local ESP provider.

In some areas, you may be able to go to an urgent care center (UCC). When going to a UCC, you should also try to contact your PCP as well. To find UCCs in our provider network, go to tuftshealthplan.com/together and use our Find a Doctor, Hospital or Pharmacy tool.

When you travel
If you are traveling and need emergency or urgent health care, go to the nearest emergency room. For other routine medical issues, call your PCP. For routine behavioral health issues, contact your behavioral health provider. We do not cover any services received outside of the U.S. or its territories, including emergency or urgent care.

24/7 NurseLine
You can get no-cost health support anytime you need it by calling our 24/7 NurseLine at 888.MY.RN.LINE (888.697.6546) (TTY: 711). Translation services are available. The 24/7 NurseLine is not an emergency line and does not take the place of your provider.

Communicating with us
Visit tuftshealthplan.com/together or call us at **888.257.1985** if you:

Keep us updated
Please call us at **888.257.1985** if you change your address, phone number or PCP. We need to have the most up-to-date information about you on file so we can give you the best possible service.
