Schedule of Benefits

This Schedule of Benefits gives you information about your Tufts Health Direct Covered Services and costs you may have to pay. Make sure you review the services you are eligible for under the Schedule of Benefits for your specific Plan. To see which Tufts Health Direct Plan you have, check your Tufts Health Plan Member ID Card.

If you want more information about your benefits and capitalized terms, see your Tufts Health Direct Member Handbook tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2027.

You must go to Providers who are part of the Tufts Health Direct Provider Network to get services. Services from Non-Plan Providers require Prior Authorization, except for Emergency care and Urgent Care outside of the Service Area.
